

## ISRAEL—WHY SHOULD I CARE

*Why should I attend Engage Israel: UK Conference?*

More and more Jewish people are returning to their ancient homeland from all over the world, in fulfilment of biblical prophecy.

Come and find out what purpose God has for his covenant people and why Israel is so important to God. As one young man on a recent Engage event said **“if you don’t understand God’s purpose for Israel, you don’t understand God’s purpose at all”**

This is our first UK conference where you will receive biblical foundational teaching to understand God’s will for Israel and the part we can play in the destiny of Israel.

The Conference will be at **Cefn lee from 6th to 8th May 2011** and specifically aimed at young people **(18-35ish 40 at a push)** **Cost £95 per person includes accommodation & meals**
