## Mens Weekend

To the men that went on the weekend thanks for making it a success. Without you it would not have worked.

I am sorry to say that because numbers were small there has been a short fall of £90 this means that I have to ask you to contribute another £5.

## The Three Kings

The Three Kings play would like to ask if they can borrow the costumes of anyone who was in His Last Days (saves making new ones). Also, still in need of chiffon scarves, little bells that jingle, and a tea trolley. If anyone can help us with these things, we would be extremely grateful.

Also, when the musical presentation is over, we would be grateful for volunteers, especially men who would be willing to act (no lines required - just bodies). If you want one of the parts with words, they can be written on scrolls!.

Many thanks, Annette (slightly fraught but hopeful director).

a national call to

FAST  
and PRAY

3rd Feb 2010

On Wednesday 3<sup>rd</sup> February, Christians all over Britain will be taking part in a day of fasting and prayer for our nation. Will you join them?

Every time we turn on the news, read a newspaper or simply look around in our communities we see our nation's desperate need for a saviour . . . for salvation!

Salvation for our Nation is a grass roots movement dedicated to bringing Christians together by word of mouth, through our website [www.salvationforournation.org.uk](http://www.salvationforournation.org.uk) and through our [Facebook page](#). There is power in prayer, and there is power in unity, so let's join together on February 3<sup>rd</sup> 2010 and corporately seek God on behalf of our nation.

The concept was inspired by the story of King Jehoshaphat as told in 2 Chronicles 20:1-30. On discovering that a huge army was threatening the nation of Judah, Jehoshaphat called every man, woman and child in the nation to pray and fast. The Lord assured them that the battle was his, and when they went out to fight, they found that God had gone before them and their enemies were all dead. All that remained was to retrieve the spoils of war.

From these events, we learn that:

1. Unity it prayer is a powerful thing
2. There is power in humbling ourselves in prayer and fasting before God
3. The battle belongs to the Lord!
4. Our responsibility is to reap the harvest.

You can read more about Salvation for our Nation on our website [www.salvationforournation.org.uk](http://www.salvationforournation.org.uk)

Please spread the word. Send this email on to your Christian friends, to churches that you know, and even churches that you don't know personally. Check out the website, join the Facebook page – get connected with thousands of other Christians who have a deep concern for our nation, and let's get ready to pray, fast and reap a harvest in God's name!
